Session: Lee Allen; Robins; Jami Hendrix; Billy Preston.

Note: Many Specialty reissues exist, some of which are very similar in appearance to '50s originals. Any with a zip code on covers are obviously post-1963 reissues. Discs from the '50s are heavier than reissues. Many reissues have a raised vinyl ridge around the record's outer edge—originals do not. Any on colored, or semi-transparent vinyl are reissues. Some reissues do have an identifying copyright date.

Notes: Price range of Verve LPs is for commercial copies on the blue & black labels as well as white MGM/Verve labels. Several reissues came out in the early '80s that are nearly identical to originals, except their cover stock is glossier than are '60s issues. Among the reissues we have verified are: <i>Freak Out</i> , <i>We're Only in It for the Money</i> , and <i>Absolutely Free</i> .

Pictured here for the first time anywhere is the "Special Location Radio Program. MGM's *Stay Away Joe* on Location Sedona, Arizona Compliments of Elvis and the Colonel." Its plain white inner sleeve has the tracks typewritten, along with a note regarding exclusive broadcast by KVIO, Cottonwood, Arizona, Nov. 5, 1967. This self-contained radio program has eight of Elvis' gospel tunes along with an announcer thanking Sedona and Cottonwood for the hospitality shown the cast and crew during production there of *Stay Away Joe*. Also includes publicity for Elvis' two gospel albums as well as the "Special Christmas Radio Program."

For this certain one-of-a-kind item, there have been no sales upon which an accurate value can be based. As the rarest commercial or promotional RCA disc, its value is surely comparable to any other Presley record. Though undetermined at press time, it is certain that from a sale or serious offers to buy, it will be priced in a future edition.

FOR KVIO BROADCAST - SUNDAY, NOVEMBER 5, 1967.
PROPERTY OF ALL STAR SHOWS. RETURN TO COL. PARKER'S OFFICE AFTER AIRING.

1. HOW GREAT THOU ART
2. I BELIEVE IN THE MAN IN THE SKY
3. MANSION OVER THE HILLTOP
4. IN THE GARDEN
5. SOMEBODY BIGGER THAN YOU AND I
6. WHERE COULD I GO BUT TO THE LORD
7. CRYING IN THE CHAPEL

(Monaural. Black label, "Long Play" at bottom. Cover has selection number in upper right corner. Mistakenly pressed with an alternative take of <i>Old Shep</i> , not available on any other authorized U.S. vinyl release. Any copy with a "15S," "17S" or "19S" matrix on side 2 (following identification number stamped in the vinyl trail-off—matrix on side 1 is irrelevant) is likely to have the alternative; however, playing the track is the way to be certain. Alternative is different throughout, instrumentally and vocally—especially Elvis' phrasing—but here are two lyric variations. Words in all upper case are exclusive to the alternative take (which can be heard on the 1992 CD boxed set <i>Elvis—The King of Rock 'N' Roll, The Complete '50s Masters</i>): 1) "As the years fast did roll, Old Shep he grew old AND his eyes were last growing dim." 2) "He came to my side and he looked up at me, and HE laid his old head on my knees." • Prefix letters or numbers are used on some LP listings in order to more quickly identify the variations available.

• A few items that have no label name are listed by title, such as the International Hotel boxed sets.

• LPs with a sticker applied over the selection number, showing a new number, are valued approximately the same as those without the sticker.

• If you don't find a record in the preceding sections, it may contain two, three or four artists, and is listed in a section that follows.

• As imposing as our Presley section here may seem, it is but a drop in the bucket. For a far more in-depth study of Elvis Presley collectibles, including records, compact discs and memorabilia, get Jerry Osborne's *Official Price Guide to Elvis Presley Records & Memorabilia*.
